## AWARD CERTIFICATE

### Production heavy corrosion protection of valves and fittings

The Quality Association for Heavy Duty Corrosion Protection of Valves and Fittings by Powder Coating e.V. (GSK) awards based on the test report of the externally supervising body presented to the Quality Committee and on the resolution of the Executive Committee of GSK for the coating procedure for the production of heavy corrosion protection for valves and fittings and for the product families mentioned in the appendix to the company:

**IMP Armature d.o.o.**  
**Ljubljanska cesta 43, 1295 Ivančna Gorica, SLOWENIA**

the right to use the quality mark with the performance-related addition RAL-GZ 662/2.

The quality mark is certified by the Institute for Quality Assurance and Certification e.V. (RAL) and protected by registration at the German Patent and Trademark Office as a collective trademark (EU trademark 009300138).

The products, which were manufactured according to the quality and test regulations (GPB) of the GSK, are designated as product families by the enterprise to the association's office and listed in the appendix and on the GSK homepage ([www.gsk-online.de](http://www.gsk-online.de)). They receive the following marking:

**This certificate is valid until 31<sup>st</sup> December 2024**

Schwäbisch Gmünd, the 31<sup>st</sup> December 2021

  
Managing Director

**Not valid without annex**

The product families must be listed in the certificate. The holder of the quality mark informs GSK about the inclusion of new products or changes to existing products in the product approval, and GSK in turn informs the testing institutes. The current list of product families manufactured in GSK quality can be found on the GSK website ([www.gsk-online.de](http://www.gsk-online.de)).
